TECHNICAL LETTER No 02/2019

FROM: NASHA Technical Department
TO: NASHA exclusive surveyors-Owner
SUBJECT: VESSEL INSPECTED IN EUROPEAN PORTS (PARIS MOU)
DATE: JANUARY 14TH, 2019.

Dear Exclusive Surveyors

The purpose of this letter is to inform to all exclusive surveyors and Owners about the last report of PARIS MOU.

According the information received and of the last annual report presented by the PARIS MOU, the performance of our vessels inspected in this area is with low level.

For this reason, is very important to take the measurements respective with the vessels in this navigation area because the PSC officers is being very strict with the vessels that haven some certification with NASHA.

Please find attached the annual report for your reference.

Please find attached for your reference and waiting for your confirmation of "SAFE RECEIPT, READ and UNDERSTANDING".

Many thanks and best regards,
Eng. Angie Reyes de Lawrence
