TECHNICAL LETTER No 12/2019

FROM: NASHA Technical Department
TO: NASHA exclusive surveyors-Owner
SUBJECT: MMC 269 updated
DATE: MARCH 26TH, 2019.

Dear Organization Members / Surveyors

The purpose of this letter is to inform about the MMC 269.

No.	TOPIC	STATUS	ACTION TAKEN
269	Maritime Labour Convention, 2006 (MLC, 2006), Certification Process- MLC, 2006	JANUARY 2019	REPLACED OCTOBER 2018

In the MMC 269 was changed the following points:

22. From January 8, 2019, the ROs listed in the Circular MMC 255 may extend the validity of the Maritime Labor Certificate for a period not exceeding five months after the expiry date of the existing certificate, provided that the renewal inspection has been carried out according to standard of the MLC (A5.1.3.4. The format to be followed by the RO's will be the same as that found in the Appendix A5-II of the Convention and will be added to the maritime labor certificate and be available to the competent authorities.

25. In case of change of shipowner or operator address, an additional inspection is not required; the RO shall re-issue administratively the full or interim maritime labor certificate with same expiry date of the previous certificate, considering that this change does not affect the operation of the ship or the Company procedures. Therefore, an authorization shall be requested to mlc@segumar.com, copy of the valid maritime labour certificate and the certificate of registry (patent) updated if applicable.

Please find attached for your reference and waiting for your confirmation of "SAFE RECEIPT, READ and UNDERSTANDING".

Many thanks and best regards,
