TECHNICAL LETTER No 08- 2021

FROM: NASHA Technical Department
TO: NASHA exclusive surveyors-Owner
SUBJECT: PROCESS AND FORMATS UPDATED
DATE: JUNE 11TH , 2021

Dear Organization Members / Surveyors

Dear Exclusive Surveyors

The purpose of this letter is to inform the following updates in our Quality System related to the procedures and certificates forms.

- We have detected several cases of inappropriate use of the formats, it was decided to remove the templates from the website certificates.
- We have included the **Control Number**, defined as a:

“Unique value assigned to each certificate of an authorization, which makes it easy to check the authenticity of the document.”

PROCEDURES UPDATED:

- P-CO-01 Procedure for marketing
- P-RS-01 Procedure for survey and interim certification
- P-RS-02 Procedure for the revision of full term certifications and monitoring of endorsements

Note:

1. the update was highlighted in yellow, please review the attached document or visit our web page.
2. The interim formats for the approval and statutory certificates are not in the web page, and will be sent directly by the HEAD OFFICE with the CONTROL NUMBER assigned after the approved quotation.

SUBJECT: PROCESS AND FORMATS UPDATED
DATE: JUNE 11TH , 2021

3. the surveyor cannot use other interim certificates. In case of using another interim certificate without CONTROL NUMBER, will be reported immediately to the PMA (PANAMA MARITIME AUTHORITY) and will be penalized.
4. To provide the interim certificate with the CONTROL NUMBER, is necessary the confirmation of the surveyor, date and place of the survey/audit.
5. The surveyor has 15 days after the survey/audit to send the interim certificates or endorses.
6. In case of not receiving the interim certificates/endorses, the HEAD OFFICE will proceed to notify the PMA and cancel immediately the authorization/control number, but the quotation will continue in the SOA.
7. The quotation will be kept in the SOA only in case the surveyor does not inform about the situation of survey/audit.
8. Also in case of delay the survey or audit the surveyor has the responsibility of informing immediately to the HEAD OFFICE in order to avoid the item 6.
9. Remember is prohibited change format/reports/authorization number/control number.
